Re: *State of Arizona v. CP. Direct et al.*
CV2003-021237/CV2002-011275 (Consolidated)

Dear Receiver Warfield:

I write to advise your office that Renaud Cook Drury Mesaros, P.A., has been retained as local counsel representing Advance Magazine Publishers, Inc., d/b/a The Conde Nast Publications ("Conde Nast") in the above-referenced litigation matter pending before Judge Paul A. Katz in Maricopa County Superior Court. I note that in the Receiver's Interim Report re: Petition No. 49, Conde Nast is identified in Exhibit B as "Advanced Magazine Publishers," and its estimated amount claimed is \$300,000. I have now received invoices from my client confirming the total claim is \$323,493. If it is appropriate at this stage to provide your office with that documentation, please advise.

Please serve this office with any and all correspondence relating to this litigation matter, separate from and in addition to Wanda Borges, Borges & Associates, LLC, Syosset, New York, which law firm also represents Advance Magazine Publishers, Inc., d/b/a The Conde Nast Publications.

Respectfully Submitted,

RENAUD COOK DRURY MESAROS, PA
